

A Better Way to Learn!!!

Conroe Family Medicine Residency Program

Going strong since 1983 with recent full accreditation and commendation from ACGME demonstrating our excellent educational experience.

- Only residency program in the hospital; this provides individualized teaching and no competition for patients or procedures
- Excellent, respectful relationship with area specialists who participate in our didactics and in our 1:1 rotations
- Great rapport among residents—camaraderie and friendships are strong
- Moonlighting opportunities in our Family Medicine Center
- Night Float in years 1 and 2; Home Call in year 3—Residents coordinate call schedule
- 100% Pass Rate on the American Board of Family Medicine Certification Exam; Exam fee is paid by the program
- Beautiful 328-bed hospital is the primary facility for entire county, with varied pathology and a solid educational experience
- Rotation schedule flexibility allows residents to pursue personal interests in electives
- Optional Training Tracks: Care of the Underserved and Obstetrics
- High-quality faculty who enjoy teaching
- Medical and Dental insurance provided for resident
- Free food, both in cafeteria and Physicians' lounge
- Free parking at the hospital and at the Family Medicine Center
- Large, comfortable call room
- Family Medicine Center and Hospital are within walking distance from each other
- Small town feel with access to the big city (Houston—40 miles south)
- Abundant entertainment and recreational opportunities with The Woodlands Waterway, Lake Conroe, Golf, National Parks with hiking and biking, and more
- \$1000 discretionary fund each year
- \$2500 transition allowance
- \$865 application fee paid for your Texas medical license
- \$1300 application fee paid for your American Board of Family Physicians certification examination
- 3 weeks vacation per year, in addition to 1 week CME in years 2 and 3
- Fourth year medical student rotations in Family Medicine
