## **Lone Star Family Health Center Receives Grants to Benefit Patients**

**CONROE, TEXAS** – Lone Star Family Health Center has received several grants to help with the mission of the health center, providing compassionate and affordable healthcare.

Grants received include the William J. and Dorothy K. O'Neill Foundation for \$31,100 for general operating funds, Woodforest Charitable Foundation for \$7,500 for adult dental service for the uninsured or Medicare patients, FAITH Fighting Cancer for \$10,000 for cancer screenings, the Texas Department of State Health Services for \$500,000 for the Conroe building renovation, the American Cancer Society for \$20,000 for cancer prevention, Montgomery County Community Foundation for \$12,500 for the Conroe building renovation, Houston Methodist Community Benefits for \$142,600 for general operating funds, \$200,000 for in-kind labs and Houston Methodist Health Innovation for \$185,000 for expansion of our behavioral health program.

“Many families delay or forgo preventive health services due to lack of insurance, transportation and/or income,” said Karen Harwell, CEO of Lone Star Family Health Center. “These generous contributions will help us reach our mission of bringing affordable care to the uninsured and underserved in our community.”

Founded in 2002, Lone Star Family Health Center is a full-service, state-of-the-art Federally Qualified Health Center and nonprofit 501(c)3. The health center's mission is to provide compassionate, affordable healthcare and prepare tomorrow's family medicine professionals. Primary care services are offered across five clinic locations in Montgomery and Walker counties including Conroe, Willis, Spring, Grangerland and Huntsville. The health center accepts most insurance including Medicaid, CHIP and Medicare plans. Additionally, there are low cost, self-pay options and a sliding fee scale with eligibility.
